ADMINISTRATION

DR. W. J. EDENS

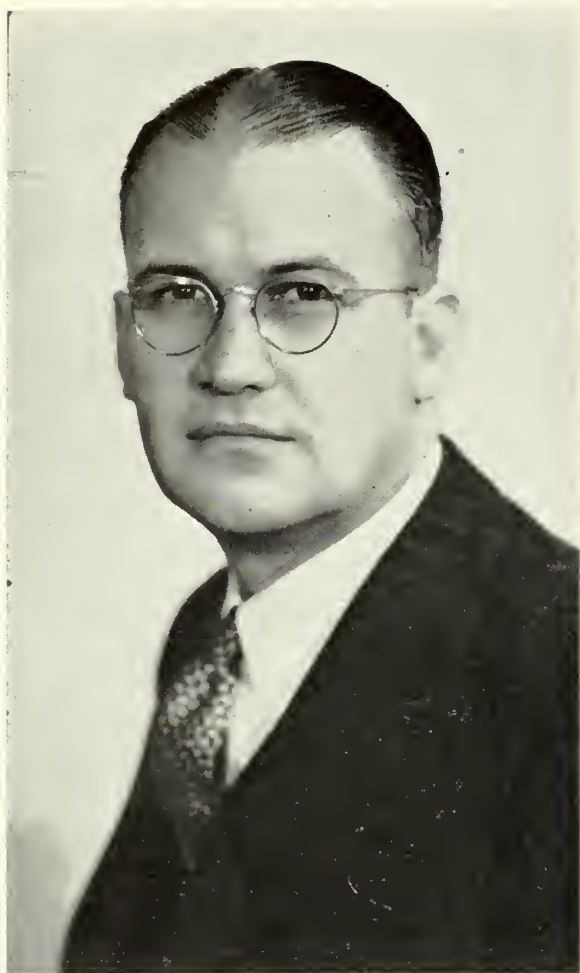

A MESSAGE FROM OUR PRESIDENT

Arkansas State College's beginning was humble. But, its purpose was sound and strong, and it has continued that way as it moved forward in serving the youth of our State and neighbor states. The lapse of time since its first days has been a testing period of 37 years, during which it has not faltered in its course. Its accomplishments have been myriad in training young people for useful living.

Today "State College" continues looking to the future with the same courage and determination essential to any institution of leadership. It recognizes that a college is not just a campus, a group of buildings, a number of students, or a board of control. Arkansas State College is an ideal; an ideal with its mission of service, of life—more life. It lives because others have lived and are living to push on into the unknown so that the finer things of life may be discovered.

"State" wishes for everyone who comes Her way rich and useful experiences so essential in living a life worthwhile.

W. J. EDENS, President
Arkansas State College

WILLIAM STUCK

BOARD OF TRUSTEES

William Stuck	President
Russell Phillips	Vice President
Gordon Lamb	Secretary

One of the most vital administrative powers of the College is the Board of Trustees. The progress of the college is somewhat controlled by these five people. The members are not chosen by popular vote but by an appointment from the Governor.

William Stuck of Jonesboro is president of the legislating body of the College. He is a prominent business man of Jonesboro and is very interested in the welfare of our College. He was appointed to the board in 1945 by Governor Laney.

Russell Phillips of Blytheville is vice president of the board. He became a member of the board in 1945.

Gordon Lamb of Corning is secretary of the board. He is the only Alumnus in the history of the college to serve on the Board of Trustees. He is a successful banker and business man of Corning and he got his appointment in 1946.

Miss Pearle Davis of Forrest City has been serving on the board since 1921. Her twenty six years of service have been meritorious ones.

Senator J. Orville Cheney of Calico Rock was appointed to the board in March of this year, upon the retirement of W. L. Mack of Jonesboro. Senator Cheney comes to the board with proven ability as administrator, especially in the field of education. He attended State Teachers College at Conway and is doing graduate work from the La Salle Institute of Chicago.

Dean Of The College

DR. D. F. SHOWALTER

Dr. D. F. Showalter, has been of immeasurable value to the college, and has been instrumental in its progress.

Many students who have come in contact with the dean or had any dealings with him have found inspiration and guidance when conferring with him.

He is acquainted with progressive methods of education followed not only in our state but all over the United States. Dean Showalter is well prepared to offer excellent advice to students who have vocational or academic problems.

Registrar

B. V. KEISTER

Registrar B. V. Keister may be called the man of many trades. Holding one of the most difficult jobs on the campus; his jobs are numerous and his position is an important one.

His first line of duty is to keep an individual permanent scholastic and extra-curricular record for each student who comes to Arkansas State College. Other duties that he performs are President of Student Life Committee, Chairman of Athletic Committee, and Sponsor of the Senior Class and the Delta Omega Sigma fraternity.

When he seeks diversions from these responsibilities, he indulges in his favorite hobbies—golf and singing.

Dean Of Men

J. A. TOMLINSON

J. A. "Ike" Tomlinson, has been the Dean of Men for the last four years. In this short time he has shown that he is capable of handling student problems with good judgment and sympathy.

He helps the new student to adjust himself, and helps the old student tackle his individual problems and straighten them out.

Along with his duty as dean of men, Mr. Tomlinson is head of the Physical Education Department and coaches basketball.

Dean Of Women

MARY ROGERS BROWN

In a responsible position, Mrs. Mary Rogers Brown has been singularly successful. To this office come girls, who have problems concerning dormitory regulations, rules for various social affairs, conduct, etc. She is also a guide to those girls who live in Jonesboro and off the campus.

Mrs. Mary Brown has been with the college for a number of years; her influence is felt in the work of every department. She tries to help students gain command over personal resources which in turn brings about discipline of mind and spirit.

Besides her duties as dean of women, Mrs. Brown is head of the department of Home Economics.

SENIOR CLASS HISTORY

The Senior class of 1947 is approaching its graduation better oriented, intellectually and socially more mature than it was as a freshman class of 1943.

Under the expert leadership of our president, J. L. Westbrooke, Jonesboro, Arkansas, we enjoyed the usual freshman parties and picnics, and experienced the freshman initiation which was very helpful in our adjustment. We were quite green, but eager to learn.

As sophisticated sophomores we elected Charles Parker, Blytheville, Arkansas, as president. By this time we were well adjusted, in fact quite at home on the campus, having passed from the humble status of initiate to the exalted one of initiator.

We stepped into our places as upperclassmen and elected Freddie Stiles, Jonesboro, Arkansas, as president of the junior class. We sponsored the customary junior and senior prom. This year of work was completed and we were eager to step into our places of seniority.

Carl Wilson, Augusta, Arkansas, was elected president of the senior class. Under his stable and expert guidance and with the cooperation of our sponsor we feel that we fit quite well into our places of leadership and dignity.

As we leave we take with us four years of treasured memories of social and intellectual activities, academic progress and everlasting friendship.

JUNIOR CLASS HISTORY

After completing three years at Arkansas State College, we can look back on them as being very successful years. We are also looking forward eagerly to next September when we step up into the senior ranks.

In the fall of 1944 about 100 freshmen were enrolled. After three weeks of wearing green hair ribbons and bow ties and various other costumes that the upperclassmen said must be worn, we felt more at home at State. We had adjusted our lives to that of a college freshman and formed lasting friendships.

Under the leadership of our president, Scottie Stidham, and sponsor, Dr. H. C. Huitt,

we sponsored a number of dances, parties, picnics and weiner roasts.

Glen Fox was elected president of our sophomore class and Dr. W. G. Shover was sponsor. From our class this year came the Home Coming Queen and many officers in the organizations on the campus. Carrying out the tradition of the past the sophomores sponsored Founder's day.

In this, our junior year, our class is under the leadership of Charles Ridgely as president and Dr. W. W. Nedrow as sponsor. We have been active in both the social and intellectual life of the College and have been preparing ourselves for the positions we must fill next year as seniors.

SOPHOMORE CLASS HISTORY

The Sophomore class began its adventurous college career as the greenest of freshmen in the fall of 1945. Reassured that our greenness was a definite sign of life and offered possibilities for extensive growth, we suffered the remarks and superiority of upperclassmen cheerfully. Dr. Homer C. Huitt was our sponsor and under his supervision we had two outstanding freshman picnics. Coveted awards were won on Honor's Day by several members of our class.

This year we attained recognition as sophisticated sophomores who have taken an active part and often the lead in all school activities. Under our sponsorship the Sadie Hawkins Dance was revived for the first time

since the war and was hailed by all as a successful comeback. We are accredited with arranging plans for the gigantic bonfire to be built the night before Homecoming, and incidentally suffered most at the hands of ferocious, determined Freshmen who guarded the wood all night from attack by fire. Our able President is David Coleman of Jonesboro, whose ability has made the class spirit soar high for two consecutive years. This year our sponsor was Leland W. Plunkett, who has been just another Sophomore among us. Thanks to his personality and fun-loving spirit we have not been lacking in fun and good will. As we look back over these two years we feel we have gained much knowledge not found in textbooks but by friendly associations with one another. May our last two years be as uplifting and even greater in attainments.

FRESHMAN HISTORY

This year's Freshman class is the largest in the history of Arkansas State. Freshmen are usually regarded as an insignificant group of people, but that has also been altered in this post war era.

One event that brought strict campus respect and recognition was the traditional battle between the Freshmen and Sophomores. This battle centers around a pile of wood, better known as the material for a bonfire. The Sophomores built it and the Freshmen attempted to keep them from burning it. The attempt was carried out with overwhelming success by a sturdy group of approximately eighty freshmen.

Political races have been as exciting and hot in this class as in any place in the United States. The campaign for class officers culminated in the election of Ned Penny as president to lead us through our first year.

The life of a freshman is not too hard. We heard all sorts of things that would happen to us, but after reviewing all facts and events, we find that we leave our status as freshmen with a bright outlook on the future.

Alpha Tau Zeta Sorority was recognized on the Arkansas State Campus when it received its charter March 3, 1937. Betty Fortenberry served as its first president with Miss Eleanor Heuver as the first sponsor.

Betty Blackwood who is now presiding, Mrs. Warren W. Nedrow, sponsor and Miss Frances Peay, co-sponsor with the assistance of the faithful members have guided Alpha Tau Zeta through its tenth year of existence.

The sorority has many functions each year. At the beginning of the college year the members entertain with a tea for the new dormitory girls and faculty members. A dance in the fall starts the social season for

this organization. The anniversary is celebrated with a dinner and formal dance.

The purpose of Delta Beta Chi is like her flower, the Gardenia, to promote elegance, personality, grandeur, and stateliness, to its members. It stands as a living example of virginity in thought, words, and deeds.

Each year Delta Beta Chi sponsors dances, parties, picnics for her members and the other Greek groups on the campus. Besides this she gives an award on Honors Day to the best foreign language student of the year.

During the summer the Sorority gives a convention for her members and her alumni. This year the convention will be held in Memphis on June the 11th and 12th.

Delta Omega Sigma, the pioneer and first social Greek letter Fraternity of Arkansas State College was founded in November, 1933. The Fraternity was built on the deep-rooted friendship that existed between five men students: W. F. DeLoche, Jr., Van Smith, E. L. Taliaferro, Jr., Charles Okey, and Bob Lindsey. Each realized that a five man fraternity would be short-lived and potentially worthless, and at no time was it remotely considered that the membership of the group should be confined to the original five. Rather, each felt that from the original circle, a larger group could be built, thus launching a permanent organization which would begin initiating new members as older ones became alumni.

Fraternities were not permitted, at this time, on the campus, and for this reason Delta Omega Sigma could not function openly—

all of which proved a handicap in selecting new members and having social functions off the campus. Charles Light and Leslie Speck were the next members selected, but by the fall of 1934 the membership had grown to the number of twenty, and plans were being made to petition the Board of Trustees for College recognition. On January 25, 1935 the petition was presented to the Board of Trustees, and on February 19, the following month, permission was granted by the Board of Trustees for the approval of Social Fraternities and Sororities to become active on the campus.

Activities of Delta Omega Sigma Fraternity for the year 1946 to 1947 were:

Annual Summer Convention, Annual Fall Smoker, Pledges Dinner, Homecoming Dance, Sunrise Breakfast, Annual Spring Formal, and dinner meetings.

BASKETBALL

Coach J. A. (Ike) Tomlinson and his Arkansas State College Indians last March were crowned Arkansas Intercollegiate Champions by virtue of a 47 to 35 victory over the Arkansas State Teachers of Conway.

The Indians reached the finals by achieving victories over the College of the Ozarks five and the Magnolia A. and M. College aggregation.

Victory in the state tournament marked a hectic season for the Arkansas State Indians during which they knocked off some of the nations best college teams and lost to some weak fives.

Last year the Redskins were rated as Arkansas' best collegiate quintet after defeating all Arkansas opponents, but school officials decided against allowing the Tribe to enter the state Intercollegiate meet and they missed a chance to cop the honors.

FOOTBALL

The Arkansas State College football team this past football season lost only three games out of a strenuous ten game schedule and enjoyed the best gridiron season since 1933.

Victories were registered over the Southern Illinois Normal University, the first time the Indians ever defeated the S.I.N.U eleven; Illinois Wesleyan of Bloomington, also the first time in football history State ever won over Wesleyan; Centre College of Danville, Ky., a small college known throughout the country for its famous football teams; and the State Teachers at Conway.

Tie games were registered with the Monticello A. and M. College, who held the Redskins to a 13-13 tie; the Henderson State Teachers, who held the Indians to a scoreless tie; and Evansville College of Evansville, Ind., who battled with the Redskins to a 6-6 tie.

Defeats suffered by State were to the Southeast Missouri State College of Cape Girardeau, Mo., who won 8 to 0; Xavier of Cincinnati, Ohio, who defeated the Indians 26-0; and Bradley University of Peoria, Ill., who defeated the Tribe 26-2.

The Aftermath

The One and Only

THE 1947 HOMECOMING QUEEN

Miss Doris Harding

Miss Doris Harding, of Holly Grove, Arkansas, was chosen by the football boys to reign over the festivities of Homecoming Day. Her maids of honor were: Nancy Burrow, of Pocahontas and Mary Frances Adams, of Knobel, Arkansas.

The coronation of the Queen took place just before the kick off of the game between Arkansas State and Illinois Wesleyan. The Queen was crowned by the Captain of the football team, Everette Bolton, and given the traditional kiss by the Co-Captain Virgil Ledbetter.

The Queen and her maids reigned once again that night at the Annual Homecoming Dance sponsored by the Delta Omega Sigma fraternity honoring the Indians on their victory over Illinois Wesleyan.
